The Enterprise was afraid of contamination of the Cleveland boys on Dalton's filthy "soil." Well it may be, for they were raised on Cleveland's Republican soil.
Our trip to James county resulted in a considerable increase in the circulation of the Herald, and a good collection on the old score. "Jim" county is O. K.
The question now is whether Cincinnati owns the Southern Railroad or whether the Railroad owns Cincinnati. The controlling shares have been taken by six men.

There is "no use" in any business man advertising his business. See what these distinguished men have to say about it:
My success is owing to my liberality in advertising.—Robert Bonner.
Advertising has earned me a competence.—Amos Lawrence.
I advertised my products and made money.—N. Longworth.
He who invests a dollar in business should invest one dollar in advertising that business.—A. T. Stewart.
The man who pays more shop rent than he does for advertising, don't understand his business.—Vanderbilt.
Advertising is as necessary an expense as clerk hire.—Dr. Young.

The Lebanon Herald gets off the following bit of poetry:
"Should Turk or Russia leader want,
The enemy to ravage,
And end the war in sixty days—
We'll lend 'em Colonel Savage;
And when the treasury runs low,
And funds begin to fail 'em,
He'll show them how to issue bonds,
And afterwards to scale 'em!"
The Chattanooga Dispatch in giving an account of a jolly little crowd of our gay and festive young ladies and gentlemen who visited that burg last week, heads its notice, "Clevelanders on a spree." If that reporter ever comes up this way we propose that he shall see these young ladies and they shall pull his hair "and go him one better."
The Memphis Appeal refuses to be "pacified." It says Postmaster General Key is a "bankrupt politician repudiated by a Democratic Legislature." Give the Appeal man an office and he'll be pacified then.
Blotters and Shelf Papers Assorted Colors, for sale at the Post Office.
The Chattanooga Dispatch says, "Cleveland is the handsomest town in Tennessee but is terrible dull just now." We have been at Chattanooga several times lately and have no excuse to accuse it of being extra lively.
The graves of the Federal dead were decorated at Chattanooga yesterday. A very large crowd was present—of whom a great many were Confederates. Surely the Millennium bath come, and now the Lion and the Lamb may lie down together, and when the Lion gets up let it be sure there is a Lamb there.

Circuit Court was in session at Col-tewah on Monday and Tuesday last. Quite a large crowd was in attendance. We had the pleasure of meeting up with many of our old friends in that section while there.
A gentleman who attended the picnic at Dalton last Thursday has kindly furnished us with a short description of the trip. It was not our good fortune to be present on that occasion, but we were told by some that were present, that the Dalton folks acted very shabbily. With but few exceptions they didn't come near the picnic grounds. Those that did come were mostly ex-Tennesseans. It is not our purpose to speak unbecomingly of any community, but we would say to the Clevelanders that it won't take many trips to Dalton to satisfy them. There is not enough Tennessee blood flowing in Georgia's veins to make them warm hearted and social.
If you want anything to eat, go to Cowan & Gaut's and see their stock whether you will buy or not.
Fresh Mutton and Beef at Hayes' old stand.

The Picnic Excursion.
EDITOR OF HERALD:
The picnic excursion to Dalton on the 24th was a success. The E. T. & G. Railroad furnished fine coaches for the occasion, which was drawn to Dalton in the forenoon by the passenger engine, and back in the afternoon by Jesse Prince's freight engine. The rates of excursion fare had been put so low that the poor could go and those that had no money could go. Cleveland turned out near four hundred persons, great and small—but mostly young, nearly all connected with the Sunday schools of the place. It was a lively day of merriment and recreation. After the day's travel and play it was interesting to notice how soberly the little folks moved off from the train, looking like they wished to be put into their "little beds." Mr. F. T. Hardwick, Dr. Brown and others of Dalton had procured for the occasion the fine grove and spring known as Hamilton's Spring, just at the north edge of Dalton. The small boys of Cleveland and Dalton found an open space large enough for a game of base ball. There was a swing and croquet, and mumble-the-peg and an organ and music, and all went merrily as a marriage bell till time for starting home when there were some pretty foot races to get to the train. The road made some money and the excursion committee suffered no loss.
ONE OF THEM.
Extra Family Flour at Cowan & Gaut's all the time.
Dr. Rodefer was circulating a petition last Saturday addressed to Hon. Carl Schurz to appoint Dr. Boynton Pension Agent under the new consolidation of the Pension offices. The petition had a long list of signers. Dr. Boynton has made an excellent officer and we earnestly hope, for the benefit of the East Tennessee pensioners, that he will receive the appointment. The pensioners in this section speak of him in the highest terms, and express their dissatisfaction at the abolition of the Knoxville office.
Death in James County.
Mrs. Matilda Chestnut, wife of John Chestnut, died at her home near Ooltewah on Monday last at the age of 66 years. She was the daughter of Eli M. Cleveland of Monroe county, who was well known to many of our old citizens.
A Remarkable Wool Clip.
The wool clip of the San Francisco Sheep Company this year was in many respects a remarkable one. It was probably the largest single clip in the United States, or perhaps is the largest in the world. The flocks of the company compose 39,400 sheep and their yield of wool was 331,000 pounds. As amongst this number there were a good many lambs last fall, there was an average of over nine pounds to the sheep.
Good Times in Georgia.
As a proof of returning confidence throughout the South, we mention the fact that during the past week Messrs. Sanford, Chamberlain & Albers, the well-known Druggists, have shipped to Georgia a large amount of their Dr. Hart's Antidiphtheria Discovery. This medicine is becoming very popular there, as well as here, and we believe deservedly so.
Gen. Grant has arrived in Liverpool. A special on Monday says:
The Mayor of the city and many other distinguished Americans received General Grant. There was great cheering. Grant accepted the hospitalities of the city.
Don't forget Cowan & Gaut's stock of Soaps. Remember that their German Soap will wash as well in hard as soft water.
Wonderful Success.
It is reported that Roscoe's Great Stomach Remedy, since its introduction in the United States, reached the immense sale of 49,000 dozen per year. Over 6,000 Druggists have ordered this medicine direct from the factory, at Woodbury, N. J., and not one reported a single failure, but every letter speaks of the wonderful success in curing Coughs, Colic, and all the ailments of the Stomach, Consumption, or any disease of the Throat and Lungs. We advise any person that has any disposition to weak Lungs, to go to their Druggist, A. D. Scraggs, and get this Medicine, 25¢ per bottle, 10¢ per box. Two doses will relieve any case. Don't neglect your cough.
